Foreword

This 13th Asia-Pacific International Conference on Environment-Behaviour Studies, AicE-Bs2025, being held at the University of Westminster, London, UK from 29-31 Aug 2025 is organised by AMER (Association of Malaysian Environment-Behaviour Researchers), in collaboration with the College of Built Environment, Universiti Teknologi MARA, Malaysia and Design, Creative and Digital Industries, University of Westminster, London, UK. It marked AMER's 50th international conference to be organised, and fully managed by AMER's subsidiary, emAs (AMER Event Management & Services) under emAs emAs Resources

The Game Changer 2021 (#GC2021) initiated in early 2021 whereby it is compulsory for contributions from Malaysia to include international co-authors, is to increase our publications to be contributed by multi-national authors. We believe that initiative would tremendously increases the chances for our publications to be indexed by more reputable indexing bodies, such as Scopus. As such, commencing 2021 only multi-national authored contributions from Malaysia shall be accepted for publications.

AicE-Bs2025 managed to attract an overall total of 48 numbers of approved abstracts, of which authors from 16 countries contributed. Majority of the abstracts were in collaboration with Malaysian authors. The most were together with Indonesia (18 numbers / 38%); followed by China (12); United Kingdom (3); Morocco, Nigeria, and Saudi Arabia (2 each); Canada, France, Italy, Japan, Kazakhstan, New Zealand, Thailand, United States of America, and Uzbekistan (1 each)

The approved 48 abstracts were finally transformed into 43 approved full papers, a return of 90%. The papers approved were simply grouped generally under 19 sub-categories, although quite a number could have been easily placed under more than one category. The top four categories in order of popularity involved the Educational / Learning Environment (ELE) with 8 papers, Health / Healing Environment (HE) with 6 papers, Commercial / Retail / Services Environment (CRSE) with 5 papers, and Communication / Social Media environment (CSME) with 4 papers.

Thanks again for your continuous support and contributions as always, and hope for an enlightening conference!

Looking forward.

Prof. Dr. Mohamed Yusoff Abbas
